2. You can also scan the QR code for the [2026 Move-In Google Map](https://qrco.de/2026MoveIn). This map identifies dorms, check-in locations, parking, shuttle stops, and venues ([qrco.de/2026MoveIn](https://qrco.de/2026MoveIn)).
3. Park in the closest parking lot to your dorm. Temporary parking in residential lots is allowed for check-in. **Do NOT park at the curb to check in.**

## CHECKING IN AT YOUR HOUSING SERVICE CENTER

4. Walk to your check-in location.
5. Show your **government-issued photo ID** (driver's license or passport) to receive your SUID card and room key. *If you already have a student SUID card, please bring it, as a new card will not be printed.*

## MOVING IN AT YOUR DORM

6. Walk to your dorm where your residence team will greet you and give you your NSO packet with your NSO nametag, schedule, and other important information. Wear your NSO nametag.
7. Scan your SUID card for entry and locate your room.
8. Head back to your car and drive to the nearest curb for **active unloading to the curb**.

## PARKING

10. After unloading, drive your car to the **Galvez Parking Lot** for free all-day parking. The Galvez Lot is next to Frost Amphitheater where most guests will end their day. (If you wish to re-park in a residential lot, you may choose to purchase an all-day permit.)

Your NSO meal plan begins on Move-In Day. At each meal, scan your SUID card. Students in graduate housing have been issued an NSO Meal Plan from Sep 15-20. See [dining.stanford.edu](https://dining.stanford.edu) for open dining halls and hours.
